

# CMS Astronomy Club

Welcome to the Cody Middle School

## Astronomy Club

Beginning in September we will start our second year of the CMS Astronomy Club. All the meeting times and dates have not yet been established, but will be posted here when they are available. Meetings will usually be one hour long and will begin at dark. If you are wondering about whether or not we are meeting or need to contact a student the observatory phone number is:

307.587.4273 Ext. 5636 Parents and other family members are welcome to accompany their child.

You can download an application/information page by clicking on the link below. Return the information part of the page to Pete Idema or Jessica Riley at Cody Middle School.
